Modern Latin America The Cambridge Companion to Modern Latin American Culture The Human Tradition in Modern Latin America Latin America in the Modern World The Evolution of Modern Latin America Problems in Modern Latin American History Sources for Latin America in the Modern World Mass Migration to Modern Latin America Problems in Modern Latin American History Modern Latin America: South America *Thomas E. Skidmore John King William H. Beezley Virginia Garrard Robert Arthur Humphreys John Charles Chasteen Nicola Foote Samuel L. Baily Anna Rose Lewis Hanke*

the term latin america refers to the portuguese and spanish speaking states created in the early 1820s following the wars of independence states that differed enormously in geographical and demographical scale ethnic composition and economic resources yet shared distinct historical and cultural traits specially commissioned essays by leading experts explore the unity and diversity of the region s cultural expressions these essays analyse history and

politics from the nineteenth century to the present day and consider the heritage of pre columbian and colonial latin america there is a particular focus on narrative as well as on poetry art and architecture music cinema theatre and broader issues of popular culture a final chapter looks at the strong and rapidly expanding influence of latino a culture in the united states a chronology and guides to further reading are included making this volume an invaluable introduction to the rich and varied culture of modern latin america

sr books two popular human tradition in latin america titles covering nineteenth and twentieth century history have been combined into one exciting new volume the most compelling chapters from these books are now presented in the human tradition in modern latin america this collection offers powerful fascinating biographies of ordinary people caught in the sometimes devastating historical changes that have occurred in latin america from the turbulent struggles for independence in the 1800s to the profound and often overwhelming transformations that have accompanied modernization in this century the human tradition in modern latin america personalizes the impact that revolution economic upheaval urbanization the destruction of community life and the disruption of both traditional family and gender roles have had on latin americans the human tradition in modern latin america is an invaluable text for courses in latin american studies nowhere else can such varied portraits be found as in these diverse and carefully researched essays written by leading scholars

latin america in the modern world is the first text to situate the history of latin america within a wider global narrative written by leading scholars the book focuses on five themes state formation the construction of national identity through popular culture and religion economics and commodities race class and gender and the environment emphasizing the distinct experiences of each of the latin american countries the book provides students with an entry point into understanding this vital region instead of suggesting that all latin american nations have an interchangeable heritage the authors seek to clearly identify themes topics people and intellectual currents that help to knit the history of modern latin america into a

coherent category of study while providing in depth coverage of the history of the three largest latin american countries mexico brazil and argentina latin america in the modern world also offers case studies from almost all of the countries including central american and andean nations available to instructors and students a companion sourcebook sources for latin america in the modern world edited by nicola foote of florida gulf coast university that matches the organization of latin america in the modern world a companion website that includes quizzes flashcards and chapter summaries an image bank of power point slides

this is a completely revised and updated edition of sr books classic text problems in modern latin american history this book has been brought up to date by professors john charles chasteen and james a wood to reflect current scholarship and to maximize the book s utility as a teaching tool the book is divided into 13 chapters with each chapter dedicated to addressing a particular problem in modern latin america issues that complement most survey texts each chapter includes an interpretive essay that frames a clear central issue for students to tackle along with excerpts from historical writing that advance alternative or even conflicting interpretations in addition each chapter contains primary documents for students to analyze in relation to the interpretive issues this primary material includes passages of latin american fiction in translation biographical sketches and images designed as a supplemental text for survey courses on latin american history this book s provocative problems approach will engage students evoke lively classroom discussion and promote critical thinking

latin america in the modern world is the first text to situate the history of latin american into a wider global narrative and it does so without de emphasizing the distinctive experiences of each of the latin american countries focusing on five themes state formation the construction of national identity through popular culture and religion economics and commodities race class and gender and the environment and written by leading scholars latin america in the modern world provides students today with an entry point into understanding this vital region the authors emphasize the distictive experiences of each of the latin american

countries instead of suggesting that all latin american nations have an interchangeable heritage the authors seek to clearly identify themes topics people and intellectual currents that help to knit the history of modern latin america into a coherent category of study the book would not serve students well if it focused primarily on the history of the three largest countries mexico brazil and argentina to the neglect of others like the central american and andean nations as a consequence case studies from almost all of the countries are included at some point in the narrative when their history seems to illuminate a theme or idea particularly effectively in this fashion students will come to appreciate the great diversity of history and culture within the latin american region while simultaneously understanding how it fits into the streams and currents of world history and events more broadly

it is well known that large numbers of europeans migrated overseas during the century preceding the great depression of 1930 many of them to the united states what is not well known is that more than 20 percent of these migrants emigrated to latin america significantly influencing the demographic economic and cultural evolution of many areas in the region mass migration to modern latin america includes original contributions from more than a dozen leading scholars of the innovative new latin american migration history that has emerged in the past 20 years though the authors focus primarily on the nature and impact of mass migration to argentina and brazil from 1870 1930 they place their analysis in broader historical and comparative contexts each section of the book begins with personal stories of individual immigrants and their families providing students with a glimpse of how the complex process of migration played out in various situations this book demonstrates the crucial impact of the mass migrations of the late nineteenth and early twentieth centuries on the formation of some latin american societies

an innovative combination of diverse primary and secondary sources and analysis this leading reader will get students thinking critically about modern latin american history now in its 6th edition this leading reader is revitalized for greater relevancy to the study of latin america since independence new to this edition new chapters on military dictatorships and latin

american diasporas address regimes of the 1960s 1980s and recent trends in migration expanded and revised introductions provide comprehensive context reflect recent historical developments issues of race ethnicity and gender are also incorporated in every chapter interweaving marginalized voices into larger narratives more visual sources are included with its innovative combination of sources and editorial analysis this edition builds on the successful problems approach organizing content around critical historical questions that stimulate critical thinking in a variety of courses on latin american history
